

ADULT SOFTBALL

Leagues—2022

SLOWPITCH SOFTBALL—SUMMER

No matter what your team's competition level is, we have a league to match it. All leagues include 22 regular season double header games plus playoffs with two games guaranteed. League fees include fields, one official per game, USSSA sanctioning fees, softball, playoffs, and awards. Games are played at five premier fenced fields with lights at Johnny Cake Ridge Park. Details at www.applevalleymn.gov/softball

New teams can register now. Some leagues have immediate availability while others require a deposit to be put on a waitlist until the Feb. 13 returning team registration deadline. Deposits will only be refunded if a team is not able to get into a league of their choice. Contact the League Director to inquire about league availability.

Returning teams can retain their spot in the league through February 13.

Registration cut off: April 1, or until filled
